A WORD FROM YOUR COUNSELORS

As you finish out the school year and head into summer, we encourage you to stay focused on finishing the year strong—that means talk with teachers, do your best in your exams (AP, SBAC & Finals) and start planning NOW for volunteer, work and internship opportunities over the summer. Also, don’t forget to check with your counselor regarding Summer School options if you need to make up credits.

See ya in the fall! ☺

Monthly Tip for Success

Studying begins with good note-taking! Be sure to write down any important facts teachers mention in class or write on the board. If you don’t understand something, ASK! Keep notes neat and organized.

And, finally, don’t forget to review/rewrite your notes that same day as well as before a quiz or test.
