A WORD FROM YOUR COUNSELORS

Time is passing, are you? Most of you are doing really well in your classes. If you are not, there are less than six school weeks before finals to work on bringing your grades up. 1st semester will end January 26. Make your education and your future your top priority.

As always, stop by during nutrition, lunch, before and after school if you have questions.

Ms. Barragan A-L Rm 119
Mrs. De La Paz M-Z Rm 115
