Plan for your Future!
Take the ASVAB. ASVAB stands for Armed Services Vocational Aptitude Battery.
The ASVAB is a career planning and exploration program that will identify your interests, skills and work values and give you an idea on what occupation you might be best at doing in your future. See Mr. Vann in Room 117 or sign up in (Room 323A). Space is limited, so do this soon! There is no cost and there is no commitment to the military.
